Enhancing Teaching & Learning  
Conference  
Saturday, March 2, 2019  
Cleveland University-Kansas City  
8:00 am - 3:00 pm

The 2019 Enhancing Teaching & Learning Conference is a Kansas City Professional Development Council (KCPDC) professional development event that provides an opportunity for educators to share their successes in and out of the classroom.

Dr. Withers, Professor and Leadership Fellow at Warburg College, will be the featured keynote speaker addressing the continued demands of faculty to not only adapt, but at times lead change, regardless of their stature or tenure.
